Payments are due on the first of the month. **Checks can be made out to Young Einsteins.** If payments are not received on their expected due date there will be a late fee charge of \$10 added to the balance for that month's payment. You also have the option in having a two-payment plan. Those must be paid by the 1st and the 15th of each month. A late fee charge will also be added to balance if payment is late. A \$5 late charge will be assessed for each overdue payment when making 2 payments a month.

If you have any questions or concerns, please feel free to discuss them with Maria Lallier. Young Einsteins wants to work with you to help avoid difficulties and can sometimes make allowances if a plan is put into place early.
